1. Recent Events

- a. It has wonderful to have been able to hold school events again – Athletics Carnival, Book Week Parade, Mastermind Final, Performing Arts Showcase – and for classes to have excursions – Yr 5 to Borambola, Yr 2 to the Civic Theatre, Yr 4 to the wetlands, K-2 swimming
- b. Kinder 2021 students had their four transition sessions (including meeting their buddy)

2. Coming Events

- a. Selection of School Captains this week ... 12 candidates to give speeches tomorrow
- b. Final Assembly on Friday ... intro school captains, announce House Champions (over 6 events), present some final awards
- c. Team 6 Celebration (on school site) on Thursday and Graduation Service next Wednesday (live streamed and recorded for school community)
- d. Student Reports out next Monday
- e. Last school day on Thursday 10 December ... closing Chapel

3. Update

- a. Staffing in place for 2021 ... Ms Janet Moeller visited last week over 4 days, Kate Daniel (classroom teacher) visited today.
- b. School magazine – it looks as though we are not going to have the magazine to give out next week. We are disappointed that the process with the publisher/printer has been very slow in recent weeks and will need to get it to students in the new year.
- c. This year we introduced the Values Award – presented to one student from each class at the end of each term. The award promotes our Lutheran School values and acknowledges students who live these values through their words and actions. Values Awards will be presented on Friday.

4. Feedback

- a. It has been a challenging year for us all but we have worked our way through it together. I am interested in your comments on how you think the school has responded to the various challenges during the year ... and what changes you think should remain in place.

- b. Suggestions for community building events in 2021 (Movie Night OR the Family Fun Night on a Friday in March?)

5. Funding requests

- a. The P&F usually makes an annual contribution for Team 6 Graduation events of \$1000. I am not requesting this this year as the P&F has not been able to hold any events – fundraising and/or social. The school will cover the usual cost of the events (including the \$1000).

6. Finally

- a. This is my last P&F meeting with you. There is much I will miss about LSWW as I have thoroughly enjoyed my 5 years here. However, there is much I am looking forward to as I ‘separate’ myself from schools, and for Lyn and I to have some time to ourselves. Thank you for your support, encouragement and friendship over the years. This is a wonderful school with wonderful people doing wonderful things together. I wish you God’s richest blessing as continue the journey here together.
